Subject index*

A

Adaptation, psychological
Process of suicide: perspective of the suicide attempter (Chesley and Loring-McNulty). 2003;9:41-5
Adolescents
Emergency nurses' responses to a survey about means restriction: an adolescent suicide prevention strategy (Grossman et al). 2003;9:77-85
Advance directives
Psychiatric advance directives (Vuckovich). 2003;9:55-9
Adverse drug reactions
Health promotion in persons with schizophrenia: atypical medications (Beebe). 2003;9:115-22
Aged
Promoting quality of life for clients diagnosed with dementia (Hendry and Douglas). 2003;9:96-102
Alternative medicine
Hypnosis: a useful strategy for symptom relief (Valente). 2003;9:163-6
American Psychiatric Nurses Association; *see also* APNA in action
An appreciation of excellence: the APNA 2002 awards and recognition program (Wilbur et al). 2003;9:35-8 (APNA in action)
Media relations committee formed (Brandman). 2003;9:38 (APNA in action)
Anxiety
Hypnosis: a useful strategy for symptom relief (Valente). 2003;9:163-6
APNA in action
An appreciation of excellence: the APNA 2002 awards and recognition program (Wilbur et al). 2003;9:35-8 (APNA in action)
APNA participates on task force on psychologists' prescribing (White). 2003;9:68-70 (APNA in action)
Assaultive behavior; *see* Violence
Awards and prizes
An appreciation of excellence: the APNA 2002 awards and recognition program (Wilbur et al). 2003;9:35-8 (APNA in action)

B

Behavior therapy
Behavioral treatment for fear of flying (Kormos). 2003;9:145-50
Bereavement
Impact of patient suicide on clinicians (Collins). 2003;9:159-62
Bipolar disorder
The nurse's role in the assessment and treatment of bipolar disorder (Tugrul). 2003;9:180-6
Brain injuries
Continuing education: Mild traumatic brain injury and psychiatric disorders (Kaas). 2003;9:134-5
Mild traumatic brain injury and psychiatric disorders (Mateo and Glod). 2003;9:129-33

*February, 1-40; April, 41-70; June, 71-106; August, 107-144; October, 145-178; December 179-221.

C

Career choice
Learning from the past (Hill). 2003;9:33-4
Caregivers
Experience of the community-residing individual with self-induced water intoxication and the family/caregiver (May). 2003;9:60-5
The family caregiving experience of outpatient ECT (Sethi and Williams). 2003;9:187-94
Civil rights
Ethics and human rights issues experienced by psychiatric-mental health and substance abuse registered nurses (Grace et al). 2003;9:17-23
Community meetings
Using the violence prevention community meeting protocol (Lanza et al). 2003;9:86-9
Comorbidity
Depression and the use of conventional and nonconventional interventions by rural patients (Cuellar et al). 2003;9:151-8
Confidentiality; *see* Privacy
Continuing education
Continuing education: Genetic core competencies: exploring the implications for psychiatric nursing (APNA Independent Review Committee). 2003;9:7-8
Continuing education: Mild traumatic brain injury and psychiatric disorders (Kaas). 2003;9:134-5
Coping strategies; *see* Adaptation, psychological
Correspondence; *see* Letters to the editors
Cultural diversity
Ethnocultural considerations in family therapy (Heater). 2003;9:46-54
International disaster relief: the perspective of an advanced practice registered nurse in psychiatric-mental health: an interview with Gerald Martone (Thelander). 2003;9:24-8 (Interview)

D

Databases
The psychiatric-mental health nursing workforce: large numbers, little data (Hanrahan et al). 2003;9:111-14
Dementia
Promoting quality of life for clients diagnosed with dementia (Hendry and Douglas). 2003;9:96-102
Depression
Depression and the use of conventional and nonconventional interventions by rural patients (Cuellar et al). 2003;9:151-8
Depression in women's magazines (Borman). 2003;9:71-6
The family caregiving experience of outpatient ECT (Sethi and Williams). 2003;9:187-94
Mild traumatic brain injury and psychiatric disorders (Mateo and Glod). 2003;9:129-33
Diagnositic errors
The nurse's role in the assessment and treatment of bipolar disorder (Tugrul). 2003;9:180-6
Disasters
International disaster relief: the perspective of an advanced practice registered nurse in psychiatric-mental health: an interview with Gerald Martone (Thelander). 2003;9:24-8 (Interview)
Drug therapy; *see also* Adverse drug reactions; Prescriptions, drug
Health promotion in persons with schizophrenia: atypical medications (Beebe). 2003;9:115-22

E

Education
Genetic core competencies: exploring the implications for psychiatric nursing (Pestka). 2003;9:1-6
Psychiatric nursing in crisis: strategies for recruitment (Puskar and Bernardo). 2003;9:29-32 (Point of view)
Electroconvulsive therapy
Electroconvulsive therapy (Wysoker). 2003;9:103-4 (Legal and ethical considerations)
The family caregiving experience of outpatient ECT (Sethi and Williams). 2003;9:187-94
Parkinson's disease and electroconvulsive therapy: a nursing perspective (Gaylord). 2003;9:9-16
Emergency nursing
Emergency nurses' responses to a survey about means restriction: an adolescent suicide prevention strategy (Grossman et al). 2003;9:77-85
International disaster relief: the perspective of an advanced practice registered nurse in psychiatric-mental health: an interview with Gerald Martone (Thelander). 2003;9:24-8 (Interview)
Encounters along a career line
Learning from the past (Hill). 2003;9:33-4
Ethics
Electroconvulsive therapy (Wysoker). 2003;9:103-4 (Legal and ethical considerations)
Ethics and human rights issues experienced by psychiatric-mental health and substance abuse registered nurses (Grace et al). 2003;9:17-23
HIPAA and psychiatric nurses (Wysoker). 2003;9:173-5 (Legal and ethical considerations)
Psychiatric advance directives (Vuckovich). 2003;9:55-9
Ethnic groups
Ethnocultural considerations in family therapy (Heater). 2003;9:46-54

F

Family relations
Experience of the community-residing individual with self-induced water intoxication and the family/caregiver (May). 2003;9:60-5
The family caregiving experience of outpatient ECT (Sethi and Williams). 2003;9:187-94
Family therapy
Ethnocultural considerations in family therapy (Heater). 2003;9:46-54

G

Genetics
Continuing education: Genetic core competencies: exploring the implications for psychiatric nursing (APNA Independent Review Committee). 2003;9:7-8
Genetic core competencies: exploring the implications for psychiatric nursing (Pestka). 2003;9:1-6
Geriatrics; *see* Aged

H

Head trauma; *see* Brain injuries
Health Insurance Portability and Accountability Act of 1996
HIPAA and psychiatric nurses (Wysoker). 2003;9:173-5 (Legal and ethical considerations)
Hypnosis
Hypnosis: a useful strategy for symptom relief (Valente). 2003;9:163-6

I

Informed consent
Personal autonomy: development of a nursing outcomes classification label (Caldwell et al). 2003;9:167-72
Inpatients
Jumping the hurdles of mental health care wearing cement shoes: Where does the inpatient psychiatric nurse fit in? (Benson and Briscoe). 2003;9:123-8
Letters to the editors (Courey) (Letter). 2003;9:179

Psychiatric inpatient suicide: assessment strategies (Billings). 2003;9:176-8 (Professional progress notes)
Psychiatric inpatient suicide: risk factors and risk predictors (Billings). 2003;9:105-6 (Professional progress notes)
Reflections on psychiatric inpatient suicide (Billings). 2003;9:66-7 (Professional progress notes)

International agencies
International disaster relief: the perspective of an advanced practice registered nurse in psychiatric-mental health: an interview with Gerald Martone (Thelander). 2003;9:24-8 (Interview)

Interview
International disaster relief: the perspective of an advanced practice registered nurse in psychiatric-mental health: an interview with Gerald Martone (Thelander). 2003;9:24-8
The new freedom on mental health: a perspective from the chair of the commission (Sills). 2003;9:195-201

J

Job satisfaction
Learning from the past (Hill). 2003;9:33-4

L

Legal and ethical considerations
Electroconvulsive therapy (Wysoker). 2003;9:103-4
HIPAA and psychiatric nurses (Wysoker). 2003;9:173-5

Legal issues
APNA participates on task force on psychologists' prescribing (White). 2003;9:68-70 (APNA in action)
Electroconvulsive therapy (Wysoker). 2003;9:103-4 (Legal and ethical considerations)
HIPAA and psychiatric nurses (Wysoker). 2003;9:173-5 (Legal and ethical considerations)
Psychiatric advance directives (Vuckovich). 2003;9:55-9

Legislation
Prescriptive authority for advanced practice psychiatric nurses: 2003 legislative update (Haber et al). 2003;9:205-16 (Briefing)

Letters to the editors
Letters to the editors (Billman; Fritsche; Hil; Parsons; Plant; Pruett; Simme; Strollo) (Letters) 2003;9:107-110; (Billings) (Letter reply) 2003;9:110
Letters to the editors (Courey) (Letter). 2003;9:179
Letters to the editors (Gemma) (Letter). 2003;9:179

M

Manic disorder; *see* Bipolar disorder

Marital therapy
Assessing and treating sexual dysfunction (Mahan). 2003;9:90-5

Mass media
Depression in women's magazines (Borman). 2003;9:71-6
Media relations committee formed (Brandman). 2003;9:38 (APNA in action)

Mental health services
The new freedom on mental health: a perspective from the chair of the commission (Sills). 2003;9:195-201 (Interview)

N

National Coalition for Health Care Professionals (NCHPEG)
Genetic core competencies: exploring the implications for psychiatric nursing (Pestka). 2003;9:1-6

Neurodegenerative diseases
Parkinson's disease and electroconvulsive therapy: a nursing perspective (Gaylord). 2003;9:9-16

New Freedom Commission on Mental Health
The new freedom on mental health: a perspective from the chair of the commission (Sills). 2003;9:195-201 (Interview)

Nurse practioners
Blending specialist and practitioner roles in psychiatric nursing: experiences of graduates (Scharer et al). 2003;9:136-44
Letters to the editors (Gemma) (Letter). 2003;9:179

Nursing Outcomes Classification project
Personal autonomy: development of a nursing outcomes classification label (Caldwell et al). 2003;9:167-72

Nursing staff
Learning from the past (Hill). 2003;9:33-4
The psychiatric-mental health nursing workforce: large numbers, little data (Hanrahan et al). 2003;9:111-14
Psychiatric nursing in crisis: strategies for recruitment (Puskar and Bernardo). 2003;9:29-32 (Point of view)

O

Outcome assessment
Personal autonomy: development of a nursing outcomes classification label (Caldwell et al). 2003;9:167-72

P

Parkinson disease
Parkinson's disease and electroconvulsive therapy: a nursing perspective (Gaylord). 2003;9:9-16

Phobic disorders
Behavioral treatment for fear of flying (Kormos). 2003;9:145-50

Point of view
Psychiatric nursing in crisis: strategies for recruitment (Puskar and Bernardo). 2003;9:29-32
Revisiting Joyce Travelbee's question: what's wrong with sympathy? (Rich). 2003;9:202-4

Policy making
The new freedom on mental health: a perspective from the chair of the commission (Sills). 2003;9:195-201 (Interview)
Prescriptive authority for advanced practice psychiatric nurses: 2003 legislative update (Haber et al). 2003;9:205-16 (Briefing)

Prescriptions, drug
APNA participates on task force on psychologists' prescribing (White). 2003;9:68-70 (APNA in action)
Prescriptive authority for advanced practice psychiatric nurses: 2003 legislative update (Haber et al). 2003;9:205-16 (Briefing)

Primary health care
Blending specialist and practitioner roles in psychiatric nursing: experiences of graduates (Scharer et al). 2003;9:136-44

Privacy
Ethics and human rights issues experienced by psychiatric-mental health and substance abuse registered nurses (Grace et al). 2003;9:17-23
HIPAA and psychiatric nurses (Wysoker). 2003;9:173-5 (Legal and ethical considerations)

Professional competence
Jumping the hurdles of mental health care wearing cement shoes: Where does the inpatient psychiatric nurse fit in? (Benson and Briscoe). 2003;9:123-8

Professional progress notes
Psychiatric inpatient suicide: assessment strategies (Billings). 2003;9:176-8
Psychiatric inpatient suicide: risk factors and risk predictors (Billings). 2003;9:105-6
Reflections on psychiatric inpatient suicide (Billings). 2003;9:66-7

Psychiatric nursing
Blending specialist and practitioner roles in psychiatric nursing: experiences of graduates (Scharer et al). 2003;9:136-44
Continuing education: Genetic core competencies: exploring the implications for psychiatric nursing (APNA Independent Review Committee). 2003;9:7-8

Genetic core competencies: exploring the implications for psychiatric nursing (Pestka). 2003;9:1-6
HIPAA and psychiatric nurses (Wysoker). 2003;9:173-5 (Legal and ethical considerations)
Impact of patient suicide on clinicians (Collins). 2003;9:159-62
Jumping the hurdles of mental health care wearing cement shoes: Where does the inpatient psychiatric nurse fit in? (Benson and Briscoe). 2003;9:123-8
Letters to the editors (Billman; Fritsche; Hil; Parsons; Plant; Pruett; Simme; Strollo) (Letters) 2003;9:107-110; (Billings) (Letter reply) 2003;9:110
Letters to the editors (Courey) (Letter). 2003;9:179
Letters to the editors (Gemma) (Letter). 2003;9:179
Media relations committee formed (Brandman). 2003;9:38 (APNA in action)
The psychiatric-mental health nursing workforce: large numbers, little data (Hanrahan et al). 2003;9:111-14
Psychiatric nursing in crisis: strategies for recruitment (Puskar and Bernardo). 2003;9:29-32 (Point of view)
Revisiting Joyce Travelbee's question: what's wrong with sympathy? (Rich). 2003;9:202-4 (Point of view)

Q

Quality of life
Promoting quality of life for clients diagnosed with dementia (Hendry and Douglas). 2003;9:96-102

R

Recruitment of nurses; *see* Nursing staff
Referral and consultation
Letters to the editors (Gemma) (Letter). 2003;9:179
Rights; *see* Civil rights
Risk assessment
Psychiatric inpatient suicide: assessment strategies (Billings). 2003;9:176-8 (Professional progress notes)
Psychiatric inpatient suicide: risk factors and risk predictors (Billings). 2003;9:105-6 (Professional progress notes)
Rural health
Depression and the use of conventional and nonconventional interventions by rural patients (Cuellar et al). 2003;9:151-8

S

Schizophrenia
Health promotion in persons with schizophrenia: atypical medications (Beebe). 2003;9:115-22
September 11, 2001
Behavioral treatment for fear of flying (Kormos). 2003;9:145-50
Sexual dysfunction
Assessing and treating sexual dysfunction (Mahan). 2003;9:90-5
Substance-related disorders
Ethics and human rights issues experienced by psychiatric-mental health and substance abuse registered nurses (Grace et al). 2003;9:17-23
Suicide
Emergency nurses' responses to a survey about means restriction: an adolescent suicide prevention strategy (Grossman et al). 2003;9:77-85
Impact of patient suicide on clinicians (Collins). 2003;9:159-62
Letters to the editors (Billman; Fritsche; Hil; Parsons; Plant; Pruett; Simme; Strollo) (Letters) 2003;9:107-110; (Billings) (Letter reply) 2003;9:110
Process of suicide: perspective of the suicide attempter (Chesley and Loring-McNulty). 2003;9:41-5
Psychiatric inpatient suicide: assessment strategies (Billings). 2003;9:176-8 (Professional progress notes)
